

# LIFTING

## **Manual stacker**

**SDJA1000** - Adjustable Fork @  
1000kg cap.

**SDJA500** - Adjustable Fork @ 500kg  
cap.

**SDJSA1000** - Straddle legs @1000kg  
cap.

**SDJ1000** - Fixed Fork @ 1000kg cap.

- ◆ Robust steel construction
- ◆ Economical lift to transport dies and moulds and pallets.
- ◆ Sturdy and compact enough to fit through standard doors.
- ◆ Smooth performance and durability.
- ◆ Lifting function operated by foot and hand controls.

Lift height 1600mm: SDJA1000,  
SDJA500, SDJ1000.

Lift height 1500mm: SDJS1000.

Fork Length 800mm: SDJA1000,  
SDJA500

Fork Length 1100mm: SDJS1000

Fork Length 1150mm: SDJ1000

Lift Speed for all types  
25mm/pumpaction

## **Semi-electric Stacker**

### CTD 10

- ◆ Compact design with strong steel construction.
- ◆ Simple smooth lifting & lowering operation.
- ◆ Light and easy manual steering system with parking brake.
- ◆ Energy saving and regenerative, safe & efficient.

Capacity: 1000kg to 2.5m  
700kg to 3m

Lifting Height:  
1600/2500/3000

Lowered fork height: 90mm

Width over forks: 580mm

Fork length: 1070mm

Overall height:  
2090/1840/2090

Overall width: 722mm

Battery capacity:180AH

Battery: 12V
